

**2024 Congregational Plan of Support for The Montana District—LCMS and  
The Lutheran Church—Missouri Synod Mission**

We the members of \_\_\_\_\_ Lutheran Church  
of [city] \_\_\_\_\_,

having come before the Lord in prayer, have resolved to contribute

\_\_\_\_\_ % of offerings received in 2024 (about \$ \_\_\_\_\_)

**or,**

\$ \_\_\_\_\_ from offerings in 2024.

This plan of support is for operational support and the fulfilling of the District's and Synod's mission in accomplishing what congregations cannot accomplish individually (ie. regional, national, and international missions and ministries, training of LCMS pastors and church workers, worldwide human care and disaster aid, ecclesiastical supervision and support of pastors and congregations). Accordingly, the Board of Directors of The Montana District uses your congregation's reported plan of support to inform budgetary decisions.
